Funds for Projects are contributed from the combined offerings of World Mission Sunday which was established by Pope Pius XI in 1926 and is celebrated on the next-to-last Sunday in October. He saw the day as a way to "foster understanding of the greatness of the missionary task, encourage zeal among the clergy and the people, and offer an opportunity to make the Society for the Propagation of the Faith ever more widely known and encourage offerings for the missions." It is a day set aside for all of us to respond to the Holy Father's request for solidarity amongst Catholics and to recommit ourselves to the Church's missionary activity through prayer and sacrifice. Pope John Paul II, said that it is "an important day in the life of the Church because it teaches how to give: as an offering made to God, in the Eucharistic celebration and for all the missions of the world" (RM 81). He also said: "The offerings that are collected are destined for a common fund of solidarity distributed, in the Pope's name, by the Society for the Propagation of the Faith, among the missions and missionaries of the entire world." Every year the needs of the Catholic Church in the Missions grow as new dioceses are formed and because of the growing number of people seeking to hear the message of Christ. That is why the involvement and commitment of Catholics from around the world is so urgently needed. Offerings from Catholics in your Parish Institution and Diocese, on World Mission Sunday and throughout the year, are combined with offerings to the Propagation of the Faith worldwide. Requests are submitted for assistance for parochial structures, catechetical programs, the work of Religious Communities, for communication and transportation needs, and for the building of chapels, churches and pastoral centres. These needs are matched with the funds donated to this solidarity fund each year.
